

To Whom It May Concern,

This letter certifies that, a-year student in the Department of our Faculty, intends to undertake an internship at your institution.

Completing an internship is a mandatory graduation requirement for our Bachelor of Science in Engineering degree. To fulfill this requirement, students must complete their training after their second or third academic years. The duration of this mandatory internship is determined by the student's department:

- **Civil Engineering:** Minimum of 50 working days.
- **Computer, Electrical & Electronics, Industrial, Chemical, and Mechanical Engineering:** Minimum of 40 working days.

We sincerely appreciate your interest and support in providing this valuable professional development opportunity for our students.

Best regards,

Prof. Dr. Fazıl Önder Sönmez
Dean of the Faculty of Engineering
